ReturnMe™ DIGITAL TAG APP

ReturnMe is proud to announce the WORLD'S FIRST & ONLY digitally branded recovery protection for mobile devices!

A new and unique service which helps customers get their lost mobile devices back, all while giving you 24/7 brand exposure on their lock screens! All this while you capture valuable survey and customer data!

Your
— BRAND —
on your customer's
LOCK SCREEN
24/7

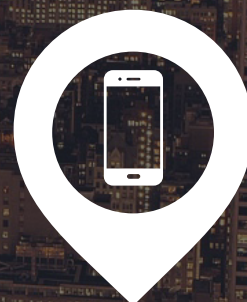

- 1 Your brand is visible 24/7, every time a customer picks up their mobile device
- 2 Can include your corporate images or your customer's personal pictures
- 3 Client can customize placement of the ReturnMe recovery information bar to their liking
