IATA is now strongly recommending that the travel industry switch from high-risk name & address tags to ID secure airport system integrated ('UIS') tags

How it works

1. Activate and Attach

Customers activate their tag ID# by going to www.Return.Me and then attach the tag to the items they wish to protect such as their travel bag.

2. If lost...

Finders are motivated to contact ReturnMe 24/7 via phone or online.

3. Relax!

When found, ReturnMe's Recovery Service will help facilitate the return of the item from anywhere in the world.

Reward message motivates finder to contact ReturnMe
